

Nourish Now's operations are continuing. We are closely monitoring the situation and taking the necessary precautions. As of Tuesday, March 31st we will no longer be taking clients in our warehouse and we are in the process of switching our on-site distribution to satellite locations throughout Montgomery County. Please refer to our [website](#) for more information. We are currently taking volunteers with amended requirements, but the same timeframe and protocols. We are asking staff and volunteers to follow CDC guidelines on handwashing, sanitizing and staying home if they are feeling unwell, and we are practicing safe social distancing between each other. We are committed to continuing food recovery and serving food insecure individuals and families in the county. Please refer to these resources and information about the virus and what you can do to help protect yourself and your family.

As of Friday, November 13th:

Current Situation:

- As of September 30th, 2020, MCPS is expanding the number of meal service sites for the community. In addition to the 74 school sites, students and families can pick up meals on Monday, Tuesday, Wednesday and Friday at several bus stop locations throughout the county from 11:30 a.m. to 12:30 p.m. See the full list of meal sites here: <https://www.montgomeryschoolsmd.org/reopening/meals/>
- MCPS is increasing to a triple meal service on Fridays, beginning Sept. 18, to help address food insecurity for MCPS students over the weekend. The USDA has granted waivers which again permit meal distribution to all youth 18 and under. MCPS students over 18 will need to provide a student id to pick up meals. Student names will be required for meal pick up. Menu information is available on the main Menu webpage. Allergens, nutrients and other information can be found on the Wellness & Nutrition webpage.
- As of September 4th, 2020, the U.S. Department of Agriculture has extended the waivers that allow school systems to provide free meals to students during the summer months. MCPS will resume providing free breakfast and lunch to all county children and enrolled MCPS students at 74 meal sites. A student identification number will not be required, however, names will be

taken for each child. More information can be found at

Coronavirus Information:

- People in places where ongoing community spread of the virus that causes COVID-19 has been reported are at elevated risk of exposure, with the level of risk dependent on the location.
- Older adults and people of any age with underlying health conditions, such as diabetes, lung disease, or heart disease, are at greater risk of severe illness from COVID-19.
- COVID-19 is spread just like colds or flu through:
 - coughing and sneezing, which creates respiratory droplets
 - close personal contact, such as touching or shaking hands
 - touching an object or surface with the virus on
- People who suspect they have COVID-19 should contact their health care provider, who will determine if that patient has signs and symptoms compatible with COVID-19 and will decide to refer the patients for lab testing.
- As of May 19th, the Governor's [order](#) requires pharmacies to directly order and administer COVID-19 tests.
- Online COVID-19 Self-Assessments are available at:
 - [Adventist HealthCare](#)
 - [Holy Cross Health](#)
 - [MedStar Health](#)

Social Distancing: Help Stop the Spread

- The CDC and the White House have released official guidelines for residents to help slow the spread.
