Join us at Blue Mash, voted Best Golf Course in Montgomery County by Montgomery Gazette readers, and listed as one of the Top Six Rated Courses in the Washington Area by Golf Advisor - and help raise funds to benefit Nourish Now in their mission to end hunger through food recovery.

NOURISH NOW

Nourish Now recovers nearly 6,000 pounds of fresh food every day thanks to the generosity of our partners—including caterers, sporting venues, grocery and big-box stores, corporate cafeterias, and distributors—across the DMV. We then distribute this high-quality food through our programs, transforming what might otherwise end up in landfills into nourishment for neighbors who need it most.

Your support not only helps end food waste and hunger, but also contributes to a cleaner world by reducing one of the largest sources of greenhouse gas emissions.

Through your generous support since 2011, we have recovered and donated over 29 million pounds of food.

Your impact will go beyond full bellies. Food access can be a major factor in poverty reduction and community development. Thank you for being part of our mission.

Your support shifts the focus from hunger, allowing families to bond around the dinner table.

You will directly intervene in the hunger cycle, ensuring families throughout our community has access to nutritious food.

SPONSORSHIP LEVELS

EAGLE SPONSOR

\$5,000

- Includes two foursomes (eight golfers), which may be used as individual golfer tickets
- Eight all-you-can-drink beverage packages. Special Recognition during opening speeches and any press reports
